To Our Shareholders:

You are cordially invited to attend the Annual Meeting of Shareholders of County Bancorp, Inc., scheduled for 2:00 p.m., central time, on Tuesday, June 16, 2020. Due to the emerging public health impact of the coronavirus outbreak (COVID-19) and to support the health and well-being of our employees and shareholders, this year's Annual Meeting will be a completely virtual meeting, which will be conducted solely online via live webcast. You will be able to attend the Annual Meeting, vote your shares electronically, and submit your questions during the meeting by visiting www.virtualshareholdermeeting.com/ICBK2020. You will need to have your 16-digit control number included on your Notice of Internet Availability of Proxy Materials ("**Notice**") or your proxy card (if you received a printed copy of the proxy materials) to join the Annual Meeting. There is no physical location for the Annual Meeting.

We are taking advantage of the Securities and Exchange Commission rules allowing companies to provide their shareholders with access to proxy materials over the Internet. On or about April 27, 2020, we will begin mailing a Notice to our shareholders informing them that our Proxy Statement and our Annual Report on Form 10-K for the year ended December 31, 2019, along with voting instructions, are available online. As more fully described in the Notice, shareholders may choose to access our proxy materials on the Internet or may request to receive paper copies of the proxy materials. This allows us to conserve natural resources and reduces the cost of printing and distributing the proxy materials, while providing our shareholders with access to the proxy materials in a fast, easily accessible and efficient manner.

The matters expected to be acted upon at the meeting are described in detail in the attached Notice of Annual Meeting of Shareholders and Proxy Statement.

Your Board of Directors and management look forward to personally greeting those shareholders who are able to attend.

OF
COUNTY BANCORP, INC.**

TO BE HELD ON JUNE 16, 2020

GENERAL INFORMATION

Purpose

This proxy statement (“**Proxy Statement**”) is furnished in connection with the solicitation of proxies by the Board of Directors (the “**Board**” or the “**Board of Directors**”) of County Bancorp, Inc., a Wisconsin corporation (all references to “**County**,” the “**Company**,” “**we**” or “**our**” refer to County Bancorp, Inc., unless the context requires otherwise) to be voted at the Annual Meeting of Shareholders to be held at 2:00 p.m., central time, on Tuesday, June 16, 2020 (the “**Annual Meeting**”), via live webcast in a virtual online meeting format by visiting www.virtualshareholdermeeting.com/ICBK2020, and at any and all adjournments of the Annual Meeting. You will need to have your 16-digit control number included on your Notice of Internet Availability of Proxy Materials (“**Notice**”) or your proxy card (if you received a printed copy of the proxy materials) to join the Annual Meeting. The cost of solicitation of proxies will be borne by County. In addition to solicitation by mail, some of County’s directors, officers and employees may, without extra compensation, solicit proxies by telephone or in person. This Proxy Statement is first being delivered to County’s shareholders on or about April 27, 2020.

Important Information About the Virtual Annual Meeting and Voting

Why we are holding a virtual meeting instead of a physical meeting

Due to the emerging public health impact of the coronavirus outbreak (COVID-19) and to support the health and well-being of our employees and shareholders, our board of directors determined that it would be in the best interests of our shareholders for the Company to hold the Annual Meeting virtually rather than in person. We believe that hosting a virtual meeting will enable more of our shareholders to attend the meeting because it will limit contact with other individuals in light of COVID-19 concerns and it will allow our shareholders to participate from any location around the world with Internet access.

How to attend the Annual Meeting

The Annual Meeting will be a completely virtual meeting of shareholders, which will be conducted exclusively by live webcast. You are entitled to participate in the Annual Meeting only if you were a shareholder of record as of the record date for the Annual Meeting, April 13, 2020, or if you hold a valid proxy for the Annual Meeting. There is no physical location for the Annual Meeting. You will be able to attend the Annual Meeting online, vote and submit your questions during the meeting by visiting www.virtualshareholdermeeting.com/ICBK2020. You will need to have your 16-digit control number included on

Table of Contents

your Notice of Internet Availability of Proxy Materials (“**Notice**”) or your proxy card (if you received a printed copy of the proxy materials) to join the Annual Meeting. If you are not a shareholder of record but hold shares as a beneficial owner in street name, you should follow the instructions for attending the Annual Meeting provided by your broker or other fiduciary. If you do not comply with the procedures outlined above, you will not be admitted to the virtual Annual Meeting.

How to vote your shares and participate at the Annual Meeting

Shareholders may participate in the Annual Meeting by visiting the following website: www.virtualshareholdermeeting.com/ICBK2020. To participate in the Annual Meeting, you will need the 16-digit control number included on your Notice or on your proxy card (if you received a printed copy of the proxy materials). Shares held in your name as the shareholder of record may be voted electronically during the Annual Meeting. Shares held in the name of a broker or other fiduciary (i.e., in street name) also may be voted electronically during the Annual Meeting by following the instructions provided by your broker or other fiduciary. However, even if you plan to attend the Annual Meeting, the Company recommends that you vote your shares in advance so that your vote will be counted if you later decide not to attend the Annual Meeting.

How to vote your shares without attending the Annual Meeting

To vote your shares without attending the Annual Meeting, please follow the instructions for Internet voting on the Notice. If you request printed copies of the proxy materials by mail, you may also vote by telephone or by signing and submitting your proxy card and returning it by mail. If you are a beneficial owner and a broker or other fiduciary is the record holder (which is usually referred to as “street name” ownership), then you received access to these proxy materials from the record holder of the shares that you beneficially own. The record holder should have given you instructions for directing how the record holder should vote your shares. This way your shares will be represented whether or not you are able to attend the meeting.

Who Can Vote

The Board has fixed the close of business on April 13, 2020, as the record date (the “**Record Date**”) for the determination of shareholders entitled to receive notice of, and to vote at, the Annual Meeting. Each share of County’s common stock, par value \$0.01 per share (“**Common Stock**”), is entitled to one vote on each matter to be voted on at the Annual Meeting. No other class of securities will be entitled to vote at the Annual Meeting.

Quorum and Shares Outstanding

The presence, in person by attendance at the virtual meeting or by proxy, of a majority of the votes entitled to be cast by shares entitled to vote at the Annual Meeting is required to constitute a quorum for the transaction of business at the Annual Meeting. The securities of County entitled to be voted at the Annual Meeting consist of shares of its Common Stock, of which 6,511,179 shares were issued and outstanding at the close of business on the Record Date. Therefore, at least 3,255,590 shares need to be present, in person by attendance at the virtual meeting or by proxy, at the Annual Meeting.

Matters to be Voted on at the Meeting

You are being asked to vote on: (i) the election of four Class III directors of County for a term expiring in 2023; and (ii) the ratification of the appointment of Plante & Moran, PLLC (“**Plante**”) as our independent registered public accounting firm for the 2020 fiscal year. These matters are more fully described in this Proxy Statement.

Required Votes

You are entitled to cast one vote for each share of common stock you owned on the Record Date. The number of affirmative votes required to approve each of the proposals to be considered at the Annual Meeting is as follows:

Table of Contents

Proposal 1 – Election of Directors

Directors will be elected by a plurality of the votes cast by the shares entitled to vote in the election at the Annual Meeting. The four nominees for Class III directors receiving the largest number of affirmative votes cast at the Annual Meeting will be elected as Class III directors. You may vote “for” or “withhold authority to vote for” each nominee.

Proposal 2 – Ratification of Appointment of Independent Registered Public Accounting Firm

The approval of the ratification of the appointment of Plante as County’s independent registered public accounting firm requires the votes cast for the proposal to exceed the votes cast against the proposal. You may vote “for,” “against” or “abstain” on this proposal.

Other Proposals

The approval of any other matters to properly come before the Annual Meeting requires the votes cast for the proposal to exceed the votes cast against such proposal.

If you vote pursuant to the instructions set forth in the Notice and herein, you appoint the proxy holders as your representatives at the meeting. The proxy holders will vote your shares as you have instructed, thereby ensuring that your shares will be voted whether or not you attend the meeting. Even if you plan to attend the meeting, we ask that you instruct the proxies how to vote your shares in advance of the meeting just in case your plans change and you are unable to attend the meeting. If you have voted over the Internet or by telephone or signed and returned the proxy card and an issue comes up for a vote at the meeting that is not identified in the proxy materials, the proxy holders will vote your shares, pursuant to your proxy, in accordance with their judgment.

Abstentions and Broker Non-Votes

Abstentions will be treated as shares that are present and entitled to be cast for purposes of determining the presence of a quorum, but as not cast for purposes of determining the approval of any matter submitted to shareholders for a vote. Therefore, abstentions will not affect the outcome of any of the proposals considered at the Annual Meeting.

Broker non-votes will count for purposes of determining whether or not a quorum is present since a routine matter (the ratification of the appointment of our independent registered public accounting firm) is on the proxy ballot. However, broker non-votes will not be counted as votes cast and therefore will not have an effect on any of the proposals considered at the Annual Meeting.

Please note that the election of directors is considered to be a non-routine matter. As a result, if your shares are held by a broker or other fiduciary, it cannot vote your shares on this matter unless it has received voting instructions from you.

How You Can Vote

Shareholders are urged to vote as promptly as possible by Internet or, if you request printed copies of the proxy materials, by telephone or by signing, dating, and returning your proxy card in the envelope provided. If no specification is made, the shares will be voted “FOR” the election of the Board’s nominees for director and “FOR” the ratification of the appointment of Plante as County’s independent registered public accounting firm for 2020.

VOTE BY INTERNET — www.proxyvote.com. Use the Internet to transmit your voting instructions and for electronic delivery of information up until 10:59 p.m. central time on June 15, 2020. Have your Notice or proxy card, if you requested paper copies of the proxy materials, and the proxy materials in hand when you access the website and follow the instructions to obtain your records and to create an electronic voting instruction form. You will be required to enter the unique control number imprinted on your Notice or proxy card in order to vote online.

Table of Contents

The Internet voting procedures are designed to authenticate shareholders' identities, to allow shareholders to provide their voting instructions, and to confirm that shareholders' instructions have been recorded properly. You should be aware that there might be costs associated with electronic access, such as usage charges from Internet access providers and telephone companies. **If you vote by Internet, please do not mail your proxy card.**

VOTE BY TELEPHONE — 1-800-690-6903. Use any touch-tone telephone to transmit your voting instructions up until 10:59 p.m. central time on June 15, 2020, if you requested paper copies of the proxy materials. Have your proxy card and the proxy materials in hand when you call and then follow the instructions. **If you vote by telephone, please do not mail your proxy card.**

VOTE BY MAIL – Complete, sign, date and return your proxy card by mail in the envelope provided, if you requested paper copies of the proxy materials.

VOTE ONLINE DURING THE ANNUAL MEETING – You may also vote online during your attendance at the virtual Annual Meeting.

If you are a beneficial owner and a broker or other fiduciary is the record holder (which is usually referred to as “street name” ownership), then you received access to these proxy materials from the record holder of the shares that you beneficially own. The record holder should have given you instructions for directing how the record holder should vote your shares. It will then be the record holder's responsibility to vote your shares for you in the manner you direct. Please note, however, that if your shares are held in the name of a broker or other fiduciary (i.e., in street name), you will need to arrange to obtain a legal proxy from the record holder in order to vote at the meeting.

Shares Held in the Name of a Broker

Under the rules of various national and regional securities exchanges, brokers and other fiduciaries that hold securities on behalf of beneficial owners generally may vote on routine matters even if they have not received voting instructions from the beneficial owners for whom they hold securities, but are not permitted to vote on non-routine matters unless they have received such voting instructions. The ratification of the appointment of the Company's independent registered public accounting firm is considered to be a routine matter, and the election of directors is considered to be a non-routine matter. Thus, if you do not provide instructions to your broker as to how it should vote the shares beneficially owned by you, your broker will be able to vote on the ratification of the appointment of Plante as our independent registered public accounting firm, but generally will not be permitted to vote on any of the other matters described in this Proxy Statement.

We therefore encourage you to provide directions to your broker as to how you want your shares voted on all matters to be brought before the meeting. You should do this by carefully following the instructions your broker gives you concerning its procedures.

Multiple Notices

If you received multiple Notices, it means that you have multiple holdings reflected in our stock transfer records and/or in accounts with stockbrokers. To vote all of your shares by proxy, please follow the separate voting instructions that you received for the shares of common stock held in each of your different accounts.

Revocation of Proxy

Proxies may be revoked at any time prior to the time they are exercised by: (i) filing with the Secretary of County a written revocation; (ii) delivering a duly executed proxy bearing a later date; or (iii) attending the Annual Meeting via the Internet and voting online. Simply attending the Annual Meeting will not, by itself, revoke your proxy.

The Secretary of County is Mark A. Miller, 2400 South 44th Street, P.O. Box 700, Manitowoc, Wisconsin 54221-0700.

Table of Contents

If you hold your shares in the name of your broker or other fiduciary and desire to revoke your proxy, you will need to contact that party to revoke your proxy.

Nominees Unable to Stand for Re-election

If a nominee for election as a Class III director is unable to stand for re-election, the Board may, by resolution, provide for a lesser number of directors or designate a substitute nominee. In the latter case, shares represented by proxies may be voted for a substitute nominee. Proxies cannot be voted for more than four nominees. We have no reason to believe any nominee will be unable to stand for re-election.

Results of the Meeting

If available, we will announce voting results at the meeting. The voting results also will be disclosed in a Form 8-K that we expect to file within four business days after the meeting.

**PROPOSAL 1:
ELECTION OF DIRECTORS**

The Company’s Third Amended and Restated Bylaws (the “**Bylaws**”) provide that the Board is to be divided into three classes serving staggered three-year terms. In addition, the Bylaws provide that upon a director reaching the age of seventy-two (72), such director must, prior to the date of the next annual meeting of shareholders, tender his or her resignation from the Board of Directors, which resignation shall be effective no later than the date of the next annual meeting of shareholders.

The Board has nominated four incumbent members of the Board, Timothy J. Schneider, Lynn D. Davis, Ph.D., Andrew J. Steimle and Jacob B. Eisen, to stand for election at the Annual Meeting as Class III directors. If elected, each nominee for Class III director would serve until the 2023 annual meeting of shareholders and until his successor is duly elected and qualified or until their earlier resignation, retirement, removal from office, death or incapacitation. Unless otherwise directed, proxies will be voted “FOR” the election of each of the four Class III director nominees. If any of the nominees would decline or be unable to act, which management does not anticipate, proxies will be voted with discretionary authority for a substitute nominee to be designated by the Board of Directors.

Following is information regarding the Company’s directors. Unless otherwise noted, each of the directors has been employed in their principal occupation with the same organization for at least the last five years. No director or executive officer is related to any other director or executive officer of the Company or Investors Community Bank (the “**Bank**”) by blood, marriage, or adoption, with the exception of Mark Binversie and Gary Ziegelbauer, who are first cousins. There are no arrangements or understandings between a director or executive officer and any other person pursuant to which such person was selected as a director or executive officer, except that Robert E. Matzke was appointed as a director in connection with County’s acquisition of Fox River Valley Bancorp, Inc. (“**Fox River Valley**”), which was completed in May 2016.

CORPORATE GOVERNANCE MATTERS

Independence of Our Board of Directors and Board Committees

Under the rules of The Nasdaq Stock Market LLC ("**Nasdaq**"), independent directors must comprise a majority of our Board of Directors. The rules of Nasdaq, as well as those of the SEC, also impose requirements with respect to the independence of our directors. Our Board of Directors has evaluated the independence of its members based upon the rules of Nasdaq and the SEC and the transactions referenced under the section titled "*Certain Relationships and Related Party Transactions.*" Applying these standards, our Board of Directors determined that each of Messrs. Censky, Davis, Eisen, Foster, Matzke, Roe, Steimle and Ziegelbauer and Mmes. Leinbach and Seifert does not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and that each of those directors is "independent" as that term is defined under the Nasdaq Listing Rules. Our Board of Directors determined that each of Messrs. Schneider, Binversie and Mueller has a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and that each of those directors is not "independent" as that term is defined under the Nasdaq Listing Rules. Messrs. Schneider, Binversie and Mueller are not considered independent because they are, or within the prior three years have been, officers of County and/or the Bank. Our Board of Directors also determined that each director who serves as a member of the Audit, Compensation, and Nominating and Governance committees satisfies the independence standards for such committees established by the SEC and the Nasdaq Listing Rules, as applicable.

The Board of Directors held twelve meetings during 2019, and each director attended at least 75% of the aggregate of the total number of Board meetings and the total number of meetings of all committees of the Board on which he or she served. Although we do not have a formal policy regarding director attendance at the annual meeting of shareholders, we encourage and expect all of our directors to attend. Last year, all of the directors serving at that time were present at the 2019 annual meeting of shareholders.

Board Leadership Structure. The Board has not adopted a formal policy regarding the separation of the roles of Chairman of the Board and President because the Board believes that it is in our best interests to make that determination from time to time based on the position and direction of the organization and the composition of our Board. Currently, the positions of the Chairman of the Board and the President are held by different individuals, as Mr. Censky serves as the Chairman of the Board and Mr. Schneider serves as President. Additionally, our Bylaws state that County's President also serves as County's Chief Executive Officer. In concluding that having Mr. Censky serve as Chairman of the Board and Mr. Schneider serve as President represents the appropriate structure for us at this time, our Board considered the benefits of having the Chairman serve as a bridge between management and our Board, ensuring that both groups act with a common purpose. Our Board also considered Mr. Censky's knowledge regarding our operations and the industry in which we compete and his ability to promote communication, to synchronize activities between our Board and our senior management and to provide consistent leadership to both the Board and County in coordinating our strategic objectives. We believe this structure is appropriate because the Board includes a number of seasoned independent directors.

Although our Bylaws do not require County to separate the Chairman of the Board and President positions, our Board of Directors believes it is appropriate for these roles to be separate at this time. Our Board also recognizes that depending on the circumstances, other leadership models may be appropriate. Accordingly, our Board may periodically review its leadership structure.

Role of the Board in Risk Oversight. The Board of Directors is actively involved in oversight of risks that could affect us including credit risk, interest rate risk, liquidity risk, operational risk, strategic risk and reputation risk. This oversight is conducted in part through committees of the Board of Directors, but the full Board of Directors has retained responsibility for general oversight of risks. The Board of Directors satisfies this responsibility through full reports by each committee regarding its considerations and actions, regular reports directly from officers responsible for oversight of particular risks within County as well as through internal and external audits. Risks relating to the direct operations of the Bank are further overseen by the board of directors of the Bank, who are currently the same individuals who serve on the Board of Directors of County. Further, the Board of Directors oversees risks through the establishment of policies and procedures that are designed to guide daily operations in a manner consistent with applicable laws, regulations and risks acceptable to the organization, including our enterprise risk management procedures.

Board Committees

Our Board of Directors has established an Audit Committee, a Compensation Committee and a Nominating and Governance Committee. The composition and responsibilities of each committee are described below. Members serve, and will serve, on committees until their resignation or until otherwise determined by our Board. The Board has adopted written charters for each of the committees described below. The committee charters can be found on the Bank's website at www.investorscommunitybank.com under "Investor Relations — Corporate Information — Governance Documents."

Audit Committee. Our Audit Committee is comprised of Messrs. Foster, Matzke, Roe and Steimle and Ms. Leinbach. Mr. Roe joined the Audit Committee in February 2019. Messrs. Foster, Matzke, Roe and Steimle and Ms. Leinbach satisfy the heightened audit committee independence requirements under the Nasdaq Listing Rules and Rule 10A-3 of the Securities Exchange Act of 1934, as amended (the "**Exchange Act**"). The Audit Committee held eleven meetings in 2019.

Mr. Roe serves as the Chair of our Audit Committee. Mr. Roe is our "audit committee financial expert," as that term is defined under SEC rules implementing Section 407 of the Sarbanes-Oxley Act of 2002 (the "**Sarbanes-Oxley Act**"), and possesses the requisite financial sophistication, as defined under the Nasdaq Listing Rules, based on his business experience serving as president and/or chief executive officer of various financial institutions. The Audit Committee operates under a written charter. Under its charter, our Audit Committee is responsible for, among other things:

- overseeing the accounting and financial reporting processes;
- selecting, retaining, evaluating and replacing independent auditors;
- reviewing and approving the scope of the annual audit and audit fees;
- ensuring the rotation of the audit partners of the independent auditors on the engagement team as required by law;
- receiving and reviewing with management and the independent auditors the annual and quarterly financial statements;
- reviewing the adequacy of internal controls, accounting policies and procedures;
- reviewing and pre-approving or disapproving non-audit services;
- providing the Audit Committee report that the SEC requires in our annual proxy statement; and
- reviewing the Audit Committee charter and evaluating the Audit Committee's performance on an annual basis.

Compensation Committee. The members of the Compensation Committee are Messrs. Davis, Foster and Steimle and Mmes. Leinbach and Seifert. Mr. Foster serves as the Chair of the Compensation Committee. Each member of the Compensation Committee is a non-employee director within the meaning of the applicable SEC regulations and an independent director as defined by the Nasdaq Listing Rules. The Compensation Committee held seven meetings in 2019.

Under its charter, our Compensation Committee is responsible for, among other things:

- retaining or obtaining the advice of a compensation consultant, legal counsel or other adviser, and assessing their independence;
- determining cash compensation and cash compensation plans, including incentive compensation, amounts and terms of stock option or other equity awards, and terms of any agreements concerning employment, compensation or employment termination matters for executive officers;
- reviewing and approving corporate goals and objectives relevant to compensation of our President and evaluating his performance in light of those goals and objectives;
- monitoring the application of retirement and other fringe benefit plans for the President and other executive officers, periodically reviewing succession plans for the President and other executive officers and acting on behalf of the Board of Directors with respect to welfare plans and employee retirement;
- administering the issuance of stock awards under our 2016 Long Term Incentive Plan and any other equity incentive plans;
- reviewing and recommending disclosures and providing reports for our annual proxy statement;
- periodically reporting to the Board of Directors regarding the Compensation Committee's activities; and
- reviewing the Compensation Committee charter and evaluating the Compensation Committee's performance on an annual basis.

The Compensation Committee sets and administers the policies that govern the Bank's executive compensation programs. The Compensation Committee sets and/or approves total compensation for our executive officers as defined in the Compensation Committee's charter, and acts on behalf of the entire Board. The Compensation Committee also provides recommendations to the full board regarding director compensation programs. Additionally, the Compensation Committee reviews the recommendations as submitted for all other officer- and staff-level compensation programs on an annual basis. We have a long-standing relationship with McLagan Consulting and utilize its expertise to evaluate pay policies and practices and to provide guidance on current and future compensation decisions. McLagan Consulting provides benchmarking information related to base salaries, annual incentives, long-term cash and equity incentives and supplemental benefits such as supplemental executive retirement plans and deferred compensation. We pay McLagan Consulting for benchmarking data and on an ad hoc basis for special projects. McLagan Consulting was engaged directly by the Compensation Committee, and the Compensation Committee has determined that McLagan Consulting is independent and that its work has raised no conflicts of interest.

Nominating and Governance Committee. Our Nominating and Governance Committee is composed of Messrs. Matzke, Steimle and Ziegelbauer and Ms. Seifert. Mr. Steimle serves as the Chair of the Nominating and Governance Committee. Our Board of Directors has determined that each member of our Nominating and Governance Committee is independent within the meaning of the independent director guidelines of the Nasdaq Listing Rules. The Nominating and Governance Committee held four meetings in 2019. Under the Nominating and Governance Committee charter, the Nominating and Governance Committee is responsible for, among other things:

Table of Contents

- periodically reviewing our Board candidate nomination guidelines and recommending amendments to such guidelines as it deems appropriate;
- identifying new candidates for directorships and reviewing the qualifications of candidates;
- making recommendations to our Board of Directors regarding candidates for directorships;
- coordinating the Board self-evaluation process;
- establishing and reviewing our corporate governance guidelines and monitoring and advising our Board of Directors on corporate governance matters and practices;
- developing and reviewing director succession plans for directors; and
- reviewing the Nominating and Governance Committee charter and evaluating the Nominating and Governance Committee's performance on an annual basis.

Other Committees. The Bank's board of directors also has a Credit Committee, which concentrates its efforts on loan review and underwriting procedures, and an Asset and Liability Committee, both of which are comprised of certain members of the board of directors of the Bank. Each committee is permanently standing, active, and meets with management on a regular basis.

Director Nomination Procedures

The Nominating and Governance Committee will consider nominations for directors submitted by shareholders in accordance with the Bylaws. Pursuant to the Bylaws, in order to be considered, notice of shareholder nominations for directors must be made in writing, delivered personally or mailed by United States mail, postage prepaid, to the Secretary of County, Mark A. Miller, at 2400 South 44th Street, P.O. Box 700, Manitowoc, Wisconsin 54221-0700, no later than 90 days prior to an annual meeting, or in the case of a special meeting, no later than the close of business on the seventh day following the date on which notice of such meeting is first given to shareholders. The 2021 annual meeting is tentatively scheduled for Tuesday, May 18, 2021, so any proposal and related information must be received no later than February 17, 2021. Each notice of nomination must contain the name and address of the nominating shareholder, the number of shares held of record by the shareholder, the date on which the shareholder acquired such shares and background information about the proposed nominee. The Nominating and Governance Committee shall determine whether nominations were made in accordance with the Bylaws, and, if not, any defective nomination will be disregarded.

The Board of Directors considers various factors to be important when evaluating potential members of the Board, regardless of whether the candidate is proposed by the Nominating and Governance Committee or by a shareholder, including the individual's integrity, general business background and experience, experience in the banking industry, and his or her ability to serve on the Board of Directors. The Board does not attempt to assign any relative weights to the factors, but considers them as a whole.

Although County has no formal policy on Board diversity, the Board believes that a diverse Board of Directors is desirable to expand its collective knowledge and expertise relating to County's business, as well as to evaluate management and positively influence its performance. Accordingly, in carrying out its responsibilities for locating, recruiting, and nominating candidates for election to the Board, the Nominating and Governance Committee takes into account a number of factors and considerations, including diversity. Such considerations of diversity include geographic regions, professional or business experience, gender, race, national origin, specialized education or work experience, and viewpoints.

While the Nominating and Governance Committee does not have any formal procedures for consideration of such recommendations, shareholder nominees are analyzed by the Nominating and Governance Committee in the same manner as nominees that are identified by the committee.

Compensation Committee Interlocks and Insider Participation

During 2019, Messrs. Davis, Foster and Steimle and Mmes. Leinbach and Seifert served on the Compensation Committee. No Compensation Committee member has ever been an officer or employee of the Company or the Bank. No executive officer of the Company served as a director or member of the compensation committee of any other entity whose executive officers served as a member of our Board or a member of the Compensation Committee.

Code of Business Conduct and Ethics

We have adopted a code of business conduct and ethics that applies to our directors, officers and employees, including our principal executive officer, principal financial officer, principal accounting officer and controller. We have posted the code of business conduct and ethics on our website at www.investorscommunitybank.com under “Investor Relations – Corporate Information – Governance Documents.” In accordance with SEC rules, we intend to disclose on the “Investor Relations” section of our website any amendments to the code, or any waivers of its requirements, that apply to our executive officers to the extent such disclosure is required.

Our code of business conduct and ethics is available in print for any shareholder who requests it by writing to Mark A. Miller, Secretary, County Bancorp, Inc., 2400 South 44th Street, P.O. Box 700, Manitowoc, Wisconsin 54221-0700.

Hedging and Pledging Prohibitions

Our directors and officers are also subject to an insider trading policy. Pursuant to this policy, directors, officers and employees of the Company are prohibited from entering into hedging transactions with respect to Company securities, including, but not limited to, the purchase or use of, directly or indirectly through any other persons or entities, any stock option, prepaid variable forward contracts, equity swaps, collars, exchange funds or any other instruments designed to offset any decrease in the market value of the Company’s securities. In addition, pursuant to this policy, the Company’s directors and executive officers are prohibited from pledging Company securities as collateral, other than securities already pledged as collateral when the policy was adopted, without prior approval of the Nominating and Governance Committee. To our knowledge, each of our officers and directors is in compliance with this policy.

Communications with Board of Directors

Although County has not to date developed formal processes by which shareholders may communicate directly to directors, it believes that the informal process in which any communication sent to the Board in care of the Secretary is forwarded to the Board has historically served the Board’s and its shareholders’ needs. The Board of Directors periodically considers whether changes to this procedure are appropriate. However, unless and until a new means of communication is promulgated, communications to the Board should be sent in care of Mark A. Miller, Secretary, 2400 South 44th Street, P.O. Box 700, Manitowoc, Wisconsin 54221-0700. Mr. Miller will pass along all such communications to the Board (except for complaints of a personal nature that are not relevant to County or the Bank as a whole).

Section 16 Filings

Section 16(a) of the Exchange Act requires County’s executive officers, directors and persons who own more than 10% of our common stock to file reports concerning the ownership of County equity securities with the SEC. County files the required reports on behalf of its officers and directors. Based solely on our review of the copies of these forms and written representations that no other reports were required, we are not aware that any of our directors, executive officers or 10% shareholders failed to comply with the filing requirements of Section 16(a) during the fiscal year ended December 31, 2019.

We did not deem these shares outstanding, however, for purposes of computing the percentage ownership of any other person.

- David A. Coggins, Executive Vice President and Chief Banking Officer of the Bank.

In the discussion below, we refer to this group of executives as the “named executive officers.” This group includes the executive officers for whom disclosure is required under the applicable rules of the SEC. The remainder of this section provides a general summary of our compensation policies and practices and discusses the aggregate compensation we paid to our named executive officers in 2019. Unless otherwise specifically noted, the Bank actually paid all of the compensation of our named executive officers. As noted above, our named executive officers are also officers of the Bank and devote a substantial majority of their business time to the operations of the Bank. Accordingly, each executive’s compensation is paid largely to compensate him for rendering services to the Bank.

Regulatory Impact on Compensation

As a publicly-traded financial institution, County must contend with several often overlapping layers of regulations when considering and implementing compensation-related decisions. These regulations do not set specific parameters within which compensation decisions must be made, but do require County and the Compensation Committee to be mindful of the risks that often go hand-in-hand with compensation programs designed to incentivize the achievement of better-than-average performance. While the regulatory focus on risk assessment has been heightened over the last several years, the incorporation of general concepts of risk assessment in our compensation decisions is not a recent development.

Under its *Interagency Guidelines Establishing Standards for Safety and Soundness* (the “**Safety and Soundness Standards**”), the Federal Deposit Insurance Corporation (the “**FDIC**”) has held that excessive compensation is prohibited as an unsafe and unsound practice. In describing a framework within which to make a determination as to whether compensation is to be considered excessive, the FDIC has indicated that financial institutions should consider whether aggregate cash amounts paid, or non-cash benefits provided, to employees are unreasonable or disproportionate to the services performed by an employee. The FDIC encourages financial institutions to review an employee’s compensation history and to consider internal pay equity, and, as appropriate, to consider benchmarking compensation to peer groups. The FDIC provides that, in order to give proper context, such an assessment must be made in light of the institution’s overall financial condition.

In addition, the Compensation Committee must also take into account the joint agency *Guidance on Sound Incentive Compensation Policies* (the “**Guidance**”). Various financial institution regulatory agencies worked together to issue the Guidance, which is intended to serve as a complement to the Safety and Soundness standards. The Guidance sets forth a framework for assessing and mitigating risk associated with incentive compensation

Table of Contents

plans, programs and arrangements maintained by financial institutions. The Guidance is narrower in scope than the Safety and Soundness standards because it applies only to senior executive officers and those other individuals who, either alone or as a group, could pose a material risk to an institution. With respect to such individuals, the Guidance is intended to focus an institution's attention on balanced risk-taking incentives, compatibility of incentives with effective controls and risk management, and general principles of strong corporate governance in establishing, reviewing and maintaining incentive compensation programs.

The Compensation Committee, with the assistance of its advisors and County management, continues to monitor the status of compensation-related rules and regulations which may be finalized or issued under the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the "**Dodd-Frank Act**"). While the Compensation Committee believes its own risk assessment procedures are effective, it is prepared to implement any additional steps that may be deemed necessary to fully comply with such rules and regulations if they are finalized and become effective. The Compensation Committee does note, however, that the proposed risk assessment rules issued under the Dodd-Frank Act nearly mirror the Safety and Soundness Standards and the framework of the Guidance. As such, the Compensation Committee already adheres, in many respects, to the proposed rules and regulations under the Dodd-Frank Act.

As a publicly-traded corporation, County is also subject to the SEC's rules regarding risk assessment. Those rules require a publicly-traded company to determine whether any of its existing incentive compensation plans, programs or arrangements create risks that are reasonably likely to have a material adverse effect on the company. We do not believe that our incentive compensation plans, programs or arrangements create risks that are reasonably likely to have a material adverse effect on County.

The Compensation Committee continues to believe in and practice a sensible approach to balancing risk-taking and rewarding reasonable, but not necessarily easily attainable, goals, and this has always been a component of its overall assessment of the compensation plans, programs and arrangements it has put in place for County's named executive officers. In this regard, the Compensation Committee has revisited the components of the frameworks set forth in the Safety and Soundness standards and the Guidance as an effective tool for conducting its own assessment of the balance between risk and reward built into County's compensation programs for our named executive officers. The Compensation Committee believes County has adequate policies and procedures in place to balance and control any risk-taking that may be incentivized by the employee compensation plans. The Compensation Committee further believes that such policies and procedures will work to limit the risk that any employee would manipulate reported earnings in an effort to enhance his or her compensation.

In making decisions about executive compensation, in addition to the above, we also consider the impact of other regulatory provisions, including: the provisions of Section 162(m) of the Code that may limit the tax deductibility of certain compensation; Section 409A of the Code regarding nonqualified deferred compensation; and Section 280G of the Code regarding excise taxes and deduction limitations on golden parachute payments made in connection with a change in control. When making decisions about executive compensation, we also consider how various elements of compensation will impact our financial results. For example, we consider the impact of FASB ASC Topic 718, which requires us to recognize the compensation cost of grants of equity awards based upon the grant date fair value of those awards.

Summary of Elements of Compensation

Base Salary. Under the terms of the employment agreements (described below), Messrs. Schneider, Binversie, and Coggins were entitled to a base salary in 2019 of not less than \$400,000, \$260,000, and \$265,000, respectively.

Annual Incentive Compensation. The executives of the Bank have an incentive compensation program. The program criteria and each executive's target bonus percentage are set annually by the Compensation Committee. Each position has criteria set that include Bank-wide goals, as well as individual production. The fundamental bases of the goals are "soundness, profitability and growth." Consequently, credit quality, profitability and growth are measured in order to see whether goals are met. Under the terms of their employment agreements with the Company and the Bank, each named executive officer is entitled to participate in our annual incentive compensation plan as determined by our Compensation Committee. The Annual Incentive Compensation Plan is designed to provide additional monetary incentives to employees responsible for directing activities that have a significant and direct bearing on the success of the Company based on the achievement of strategic and financial goals. Payouts for each performance period are determined by utilization of a defined payout formula that is based upon the achievement of pre-determined criteria. During 2019, Messrs. Schneider, Binversie and Coggins received annual bonuses of 89.9%, 51.4% and 80.4% of their respective base salaries based on attainment of Bank-wide performance metrics. A portion of the amounts earned under the Annual Incentive Compensation Plan is subject to holdback under the terms of the plan. 75% of each annual incentive award for a given performance period is paid by March 15 of the year following the performance period, 15% is held back until the second year following the performance period, and 10% is held back until the third year following the performance period. Employees must be in good standing on the date of each payment to be entitled to receive the annual incentive. Upon retirement on or after age 65 (or age 55 with 10 years of plan participation), death or disability, the participant is entitled to a pro-rated incentive award in the year of such event, and any previously held back amounts under the Annual Incentive Compensation Plan become vested and are paid out.

Equity and Equity-Based Incentive Plans. The Company maintains the County Bancorp, Inc. 2016 Long Term Incentive Plan, as amended (the "**2016 Plan**"), which replaced the County Bancorp, Inc. 2012 Equity Incentive Compensation Plan, as amended (the "**2012 Plan**"). The 2016 Plan allows for the granting of awards, including incentive stock options, non-qualified stock options, stock appreciation rights, restricted stock and restricted stock units. As of December 31, 2019, 159,445 shares remained available for grant under the 2016 Plan. Following adoption of the 2016 Plan, no additional awards may be granted from the 2012 Plan. Under the 2016 Plan and the 2012 Plan, awards contain vesting and exercisability provisions, and such other terms and conditions as determined by the Compensation Committee, all of which are set forth in individual agreements with the employees receiving the awards. The 2016 Plan and the 2012 Plan enable the Compensation Committee to set specific performance criteria that must be met before an award vests under the plan. The 2016 Plan and the 2012 Plan allow the Compensation Committee to provide for acceleration of vesting and exercise privileges of grants if a participant's termination of employment is due to a change in control, death, total disability, or retirement. If a participant's job is terminated for cause, then all unvested awards expire at the date of termination.

Retirement Benefits.

401(k) Plan. The Bank currently sponsors the Investors Community Bank 401(k) Plan (the "**401(k) Plan**"). The 401(k) Plan is intended to qualify as a tax-qualified plan under Section 401 of the Code so that contributions to the 401(k) Plan and income earned on such contributions are not taxable to participants until withdrawn or distributed from the 401(k) Plan. With certain exceptions, all employees who have attained age 21 are eligible to make elective deferrals into the 401(k) Plan as of the beginning of the first date of each calendar month of the plan year following the commencement of service and are eligible to receive matching contributions and/or profit-sharing contributions after their completion of 1,000 hours of service during the plan year and be employed on the last day of the plan year.

A participant may contribute up to 100% of his or her compensation into the 401(k) Plan on a pre-tax or after-tax basis, subject to the contribution limits imposed by the Code. For 2019, the elective deferral contribution limit was \$18,500; provided, however, that a participant over age 50 may contribute, on a pre-tax basis, an additional \$6,000 into the 401(k) Plan. In addition to pre-tax and after-tax elective deferral contributions, the 401(k)

Table of Contents

Plan provides that the Bank may make discretionary matching contributions and/or profit-sharing contributions to each participant's account. For 2019, the Company made a discretionary contribution equal to 6.5% of the participant's eligible wages. A participant is always 100% vested in his or her elective deferral contributions. However, participants will vest in their employer matching contributions and/or profit-sharing contributions, if any, at a rate of 20% per year, beginning after the completion of their first year of service, such that the participants will be 100% vested upon completion of five years of service. The 401(k) Plan permits a participant to direct the investment of his or her own account into various investment options.

Investors Community Bank Salary Continuation Agreements. Each of Messrs. Schneider, Binversie, and Coggins is party to a Salary Continuation Agreement with the Bank. The Salary Continuation Agreements generally provide for an annual benefit, payable to each officer for a period of 15 years following the officer's separation from service with the Bank. The annual benefit for each of Messrs. Schneider, Binversie, and Coggins is \$60,000. The annual benefit assumes the officer does not separate from service with the Bank until attaining age 65. The beneficiaries of Messrs. Schneider, Binversie, and Coggins would be entitled to an annual benefit of \$60,000 for 15 years upon the officer's death prior to a separation from service. In the event the officer separates from service with the Bank at an earlier date for any reason other than for cause (including following a change in control or due to disability), he will be entitled to a reduced annual benefit based on the amount the Bank has accrued towards the Salary Continuation Agreement benefit at the time of such early termination. As of December 31, 2019, the Company has accrued \$259,199, \$436,487, and \$407,917 for Messrs. Schneider, Binversie, and Coggins, respectively, for future payments under the Salary Continuation Agreements. As of December 31, 2019, each of Messrs. Schneider and Binversie was 100% vested in their reduced annual benefit under the Salary Continuation Agreements which would provide an annual benefit of \$24,288 and \$42,000, respectively. As of December 31, 2019, Mr. Coggins was 100% vested in his full annual benefit under the Salary Continuation Agreement which would provide an annual benefit of \$60,000.

Investors Community Bank Management Employees' Elective Deferred Compensation Plan. The Bank offers its named executive officers, along with other eligible management employees, the ability to defer compensation under a nonqualified deferred compensation plan named the Investors Community Bank Management Employees' Elective Deferred Compensation Plan (the "**Deferred Compensation Plan**"). Under the Deferred Compensation Plan, a participant may elect to defer all or a portion of his or her base salary and all or a portion of the annual incentive bonus. There is no limitation on the amount participants may defer. The Company may elect to make matching or discretionary contributions to the Deferred Compensation Plan on behalf of any participant, and may subject such contributions to continued service or performance based terms and conditions. In 2019, the Company did not make Company contributions into the plan on behalf of any of the named executive officers.

Participant deferrals and any Company contributions currently receive an annual return based on the prime rate minus 2.25%, unless the participant elects to direct his or her deferrals into an alternative investment vehicle. As of the date of this Proxy Statement, the only alternative investment vehicle is a variable annuity offered through Minnesota Mutual Life. The Compensation Committee has the sole discretion to add or change investment alternatives on a prospective basis. Amounts deferred under the Deferred Compensation Plan are payable to the participant in accordance with the participant's election, in a lump sum or a series of annual installments over a period of up to ten years, following the earliest to occur of the participant's separation from service, death, disability, or a specified date. Company contributions under the Deferred Compensation Plan are payable to the participant in accordance with the participant's election, in a series of monthly installments over a period of either 24 or 60 months, following the latest to occur of the participant's separation from service or attainment of age 65. Any amounts deferred or Company contributions under the Deferred Compensation Plan will be distributed in a lump sum upon the participant's death, disability, or separation from service in connection with a change in control.

Perquisites.

Executive Life Insurance Program. All of our named executive officers are provided with death benefits under our group term life insurance plan that is generally available to all salaried employees. The premiums on the policies are paid by the Company. Under the plan, Messrs. Schneider, Binversie and Coggins are each entitled to a death benefit of \$150,000, respectively, in the event of death while employed by the Company. The Bank also owns bank owned life insurance policies on several key employees, including Messrs. Schneider and Binversie. Employees subject to such policies are entitled to a specified benefit in the event of their death. Messrs. Schneider

and Binversie are covered by variable adjustable life insurance policies in connection with split dollar agreements entered into in 2019 between the Bank and each executive, under which each executive is entitled to receive the lesser of their annual base salary or the excess of the face amount of the policy over the cash surrender value in the event of his death. As of December 31, 2019, Messrs. Schneider and Binversie were entitled to a death benefit of \$400,000 and \$260,000, respectively. The premium value of such insurance is included in the All Other Compensation column of the Summary Compensation Table.

Personal Use of Company Automobile. The Company provides an automobile to certain employees, including Messrs. Schneider and Binversie, to carry out their duties. Any personal use of a Company automobile is tracked and reported as taxable income to the employee. Such value is included in the All Other Compensation column of the Summary Compensation Table for each of Messrs. Schneider, Binversie and Coggins.

Health Club Reimbursement. The Company provides a health club membership reimbursement to employees, including Mr. Schneider, and is reported as taxable income to the employee. Such value is included in the All Other Compensation column of the Summary Compensation Table.

Employment Agreements

County and the Bank have executed amended and restated employment agreements with each of our named executive officers, each effective as of August 7, 2017. Each agreement provides for an initial term through December 31, 2020, with an automatic extension for an additional one-year period commencing on January 1, 2020, and each January 1 thereafter, unless either party provides written notice of non-extension 90 days prior to the extension date. If a change in control occurs during the term, each agreement will remain in effect for the two-year period following the change in control. Each named executive officer receives an annual base salary, as shown in the table below, which the Compensation Committee reviews annually for increase, but not decrease. Each named executive officer is also eligible to receive annual incentive bonuses, equity awards, and certain employee fringe benefits comparable to those received by other senior executives of the Bank.

If a named executive officer's employment is terminated for cause, or due to death or disability, he will be entitled to receive all benefits and salary accrued through the date of termination. In addition, upon a termination due to death or disability the named executive officer will be entitled to a pro-rata bonus for the year of termination. If a named executive officer's employment is terminated by us without "cause" or by the executive for "good reason" (each as defined in the agreement), he will be entitled to receive accrued salary and benefits through the date of termination, plus a pro-rata bonus for the year of termination and a lump sum severance payment equal to his respective regular severance multiple, as shown in the table below, times the sum of: (i) the annual base salary in effect immediately prior to termination; and (ii) the historic bonus. For purposes of this description, the "historic bonus" is equal to the average annual incentive bonus earned by the named executive officer during the three most recent fiscal years.

If at any time during the term a named executive officer's employment is terminated by us other than for cause or by the executive for good reason during the period beginning six months prior to and ending two years after a "change in control," he will be entitled to receive accrued salary and benefits through the date of termination, plus a pro-rata bonus for the year of termination and a lump sum severance payment equal to his change in control severance multiple, as shown in the table below, times the sum of: (i) the annual base salary in effect immediately prior to termination; and (ii) the historic bonus. The term "change in control" means: (i) certain acquisitions of beneficial ownership of more than 50% of either the then outstanding shares of our common stock or the combined voting power of our then outstanding voting securities entitled to vote generally in the election of directors; (ii) the members of the incumbent Board cease for any reason to constitute at least a majority of the new Board members; (iii) the consummation of certain mergers or consolidations to which County or the Bank is a party; (iv) the liquidation or dissolution of County or the Bank; and (v) a change in ownership of a substantial portion of County's or the Bank's assets.

In the event the named executive officer terminates his employment with County and the Bank for reasons other than good reason or for no reason, he must give written notice of his termination, specifying a termination date not less than 30 calendar days after giving the notice. However, County and the Bank have the right to terminate the named executive before the specified termination date. Upon termination by the executive other than for good reason, the named executive will be entitled to receive accrued salary and benefits through the date of termination, plus, if terminated prior to the end of the notice period, the portion of the base salary that would otherwise have been earned by the named executive through the end of the notice period.

All severance benefits provided in the executive employment agreements are conditioned upon the execution of a general release and waiver of claims against the Company and its affiliates. Each named executive officer has also agreed to certain non-disclosure, non-competition, and non-solicitation restrictions for our benefit, for the period shown in the following table.

Table of Contents

Name	2019 Annual Base Salary	Historic Bonus (3 yr. avg.)	Regular Severance Multiple	Change in Control Severance Multiple	Non-Compete Restricted Period after Termination ⁽¹⁾

Mark R. Binversie	260,000	\$97,835	2	3	2 years
David A. Coggins	265,000	\$148,196	1	2	1 year

- (1) In the event of a termination by County or the Bank without cause or by the named executive officer for good reason that occurs within six months prior to or 24 months following a change in control, the restricted period will run from the date of the change in control rather than the date of termination.

2016 Long Term Incentive Plan

Under the 2016 Plan, unless otherwise provided in an award agreement, upon the occurrence of a change in control, all stock options and SARs under the 2016 Plan then held by a participant will become fully exercisable immediately, and all stock awards and cash incentive awards will become fully earned and vested immediately if: (i) the 2016 Plan is not an obligation of the successor entity following a change in control; or (ii) the 2016 Plan is an obligation of the successor entity following a change in control and the participant incurs a termination of service without cause or for good reason following the change in control.

2012 Equity Incentive Compensation Plan

Under the 2012 Plan, for awards granted prior to October 7, 2014, in the event of termination without cause within 12 months of a change in control, all outstanding options and stock appreciation rights will become fully vested upon termination and shall remain exercisable for a period of 12 months following termination, but not beyond the original expiration date of the award. All restrictions will lapse with respect to outstanding shares of restricted stock as of the date of a change in control.

Under the 2012 Plan, for awards granted after October 7, 2014, in the event of termination without cause within 12 months of a change in control, all outstanding options and stock appreciation rights will become fully vested upon termination and shall remain exercisable for a period of 12 months following termination, but not beyond the original expiration date of the award and all restrictions will lapse with respect to outstanding shares of restricted stock as of the date of the date of termination.

PROPOSAL 2:

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

CliftonLarsonAllen LLP (“CLA”) was previously the principal accountants for County. On December 18, 2018, CLA was dismissed as County’s independent registered public accounting firm, due to issues regarding CLA’s independence with respect to County that were anticipated to result from a transaction between CLA and Schenck S.C. The decision to change accountants was recommended by the Audit Committee of the Board of Directors.

The audit reports of CLA on County’s consolidated financial statements as of and for the years ended December 31, 2017 and 2016 did not contain any adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles.

During the two fiscal years ended December 31, 2017 and the subsequent interim period through December 18, 2018, there were no: (i) “disagreements” (as defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions) between County and CLA on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which disagreements, if not resolved to the satisfaction of CLA would have caused it to make reference in connection with its opinion to the subject matter of such disagreements; or (ii) “reportable events” (as defined in Item 304(a)(1)(v) of Regulation S-K).

County has provided CLA with a copy of the foregoing disclosures and requested that CLA furnish County with a letter addressed to the SEC stating whether or not it agrees with such disclosures. A copy of CLA’s letter is attached as Exhibit 16.1 to County’s Form 8-K filed on December 20, 2018.

On December 18, 2018, the Audit Committee engaged Plante to serve as County’s independent registered public accounting firm for the year ended December 31, 2018. During the years ended December 31, 2017 and 2016, and the subsequent interim period through December 18, 2018, neither County nor anyone acting on its behalf had consulted with Plante regarding either: (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on County’s consolidated financial statements, and neither a written report nor oral advice was provided to County that Plante concluded was an important factor considered by County in reaching a decision as to any accounting, auditing or financial reporting issue; or (ii) any matter that was either the subject of a “disagreement” (as defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions) or “reportable event” (as defined in Item 304(a)(1)(v) of Regulation S-K).

County’s independent registered public accounting firm for the fiscal year ended December 31, 2019 was Plante. County’s Audit Committee has also appointed Plante as its independent registered public accounting firm for the fiscal year ending December 31, 2020. Although County’s shareholders are not required to vote on the appointment of County’s independent registered public accounting firm, it is presenting this selection to its shareholders for ratification. Proxies solicited by the Board of Directors will, unless otherwise directed, be voted to ratify the Board of Directors’ appointment of Plante as County’s independent registered public accounting firm for the fiscal year ending December 31, 2020. Even if the appointment of Plante is ratified by the shareholders, the Audit Committee, in its discretion, could decide to terminate the engagement of Plante and to engage another firm if the Audit Committee determines such action is necessary or desirable. If the appointment of Plante is not ratified, the Audit Committee will reconsider the appointment, but also may decide to maintain the appointment. County has been advised by Plante that they are independent certified public accountants with respect to County within the meaning of the Exchange Act and the rules and regulations promulgated thereunder.

Representatives of Plante are expected to attend the Annual Meeting. They will be given an opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions from shareholders present at the meeting.

The Board of Directors recommends a vote FOR the ratification of Plante as County’s independent registered public accounting firm for the fiscal year ending December 31, 2020. Proxies properly signed and returned will be voted “FOR” this proposal unless you specify otherwise.

AUDIT COMMITTEE REPORT

Management has the primary responsibility for the financial statements and the reporting process, including the systems of internal controls. In this context, and in accordance with its charter, the Audit Committee has reviewed and discussed County's audited financial statements for the fiscal year ended 2019 with management of County. During these discussions, management represented to the Audit Committee that County's consolidated financial statements were prepared in accordance with U.S. generally accepted accounting principles. In addition, the Audit Committee has discussed with Plante, County's independent registered public accounting firm, the matters required to be discussed by the applicable requirements of the Public Company Accounting Oversight Board and the SEC. The Audit Committee also has received the written disclosures and the letter from Plante required by applicable requirements of the Public Company Accounting Oversight Board regarding independent accountants communications with the Audit Committee concerning independence, and has discussed with Plante the firm's independence from County and its management. The Audit Committee has, on a continuing basis, considered the possibility of a conflict of interest arising as a result of Plante performing independent audit services and other non-audit services. The Board of Directors is satisfied that the audit services have been provided in compliance with adequate standards for independence.

Based on its review and discussions with management and the auditors, the Audit Committee has recommended to the Board of Directors, and the Board of Directors subsequently approved the recommendation, that the audited consolidated financial statements of County be included in the Annual Report on Form 10-K for the fiscal year ended December 31, 2019 for filing with the SEC.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

General. The Audit Committee reviews all "related party transactions" for potential conflict of interest situations and approves such transactions. However, the Audit Committee is not responsible for reviewing and approving related party transactions that are reviewed and approved by another independent body of the Board of Directors. In approving or rejecting any related party transactions, the Audit Committee considers, among other things, the material facts of the transaction, including, but not limited to, whether the transaction is on the terms generally available to an unaffiliated third party under the same or similar circumstances and the extent of the related party's interest in the transaction. A "related party transaction" is a transaction required to be disclosed under Item 404 of Regulation S-K under the Securities Act of 1933, as amended. The Audit Committee's policies and procedures for evaluating related party transactions are set forth in writing in its charter.

The following is a description of transactions in the years ended December 31, 2018 and 2019, to which we have been a party or will be a party, in which the amount involved exceeded or will exceed \$120,000, and in which any of our executive officers or directors, or an affiliate or immediate family member thereof, had or will have a direct or indirect material interest, other than compensation, termination and change of control arrangements, which are described under "*Executive Compensation*" and "*Proposal:1 Election of Directors—Director Compensation.*"

Loans and Extensions of Credit. The Sarbanes-Oxley Act generally prohibits loans to executive officers and directors of public companies. However, the Sarbanes-Oxley Act contains a specific exemption from such prohibition for loans by a bank to its executive officers and directors in compliance with federal banking regulations. Federal regulations require that all loans or extensions of credit to executive officers and directors of insured institutions must be made in the ordinary courses of business, on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with persons not related to the Bank and must not involve more than the normal risk of collectability or present other unfavorable features. The aggregate amount of our loans to our directors, executive officers and their related entities was \$4.1 million and \$5.6 million at

Table of Contents

December 31, 2019 and 2018, respectively. These loans were originated in compliance with applicable federal regulations and, as of December 31, 2019, were performing according to their original terms.

Other Transactions. Christopher Schneider, the brother of Timothy J. Schneider, our President and a director, received compensation of approximately \$215,000 in 2019 and \$198,000 in 2018, in his capacity for the Bank as a Vice President-Senior Agricultural Banking Officer.

Each notice of nomination or proposal must contain the name and address of the shareholder, the number of shares held of record by the shareholder, the date on which the shareholder acquired such shares, and, as applicable, background information about the proposed nominee or a description of the proposed business to be brought before the meeting.
